...One that uniquely fits your lifestyle.

What is a PERFECT cottage?

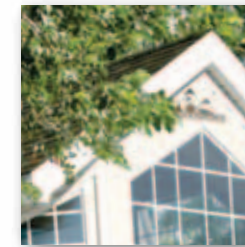

LIKE, grabbing dad's tackle box . . . or, watching a clinching 4th-quarter tackle on ESPN.

MAYBE, baked manicotti for two . . . or, baking in the sun.

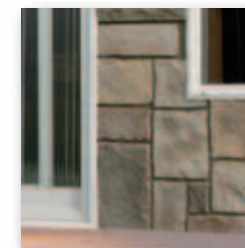

OR POSSIBLY, when your only mission is to explore the San Diego Zoo . . . or, popcorn and MISSION IMPOSSIBLE on the sofa.

Could one of these be YOUR perfect cottage?
