The RiverStone™ unit is perfect in any setting. [more](#) Visit our website.

This RiverStone™ fireplace, a Breckenridge exclusive, is topped with an impressive hardwood mantel. The electric fireplace insert is thermostatically controlled offering heat to the room. An adjustable flame system creates ambiance. What a cozy way to spend a chilly evening.

NATURAL LIGHT. Abundant glass in this living space lights up the interior and maximizes the view of the outdoors – a perfect balance with the warmth of surrounding wood and wood-slatted ceiling. Real ambiance.
