

XTENDABLE LIVING

Vaulted XT™

This all new roof-line adds a unique dimension to the XTendable Series. The Vaulted XT features all the same quality construction and fine appointments of the Classic XT – yet also adds clear-story windows along the high side of the unit and trapezoid windows on both end walls.

MORE NATURAL LIGHT
Model 844 SB-3

Large windows, including clear-story and trapezoid, surround this great room, opening the inside to a 360° vista. Available with two hide-a-bed sofas and a divider wall, this unit comfortably accommodates guests.

The optional fireplace creates a cozy atmosphere while adding extra heat on those cool mornings in spring and fall.

VAULTED CEILINGS
Model 844 SB-3

The spaciousness of this bedroom is enhanced by the vaulted ceiling, clear-story and trapezoid windows. The bedroom includes a large mirrored wardrobe with drawers, a five-drawer chest and an extra large closet for linens. The queen-size bed, with optional bedspread and shams, large nightstand and a reading light create a very comfortable room.
