

A waterfront bungalow at its best. This maintenance-free get-away dwelling is perfect for backing right into a lake or river site. WatersEdge™ is sided with Nailite™ rough-sawn cedar. This roofed deck unit has all-vinyl railing, cedar flooring and stairs. It's comfortable and attractive in any location.

"We've been close friends of Paul and Abby Parker forever. Their new bungalow is absolutely charming and has made us even more excited about retirement.

Please send us information on additional floor plans. Also, are there other colors available besides yellow?

Thanks in advance."
